

Demo Agreement Contract

Specific Contract

The following institution has requested to loan a product from Quantum Composers Inc. We will ship the unit via FedEx and upon reported delivery the lendee shall assume full liability for that unit until the day that it arrives back at Quantum Composers. We provide full customer service and support for the unit and require notification within 3 days of delivery if anything is wrong with the unit. These units may be borrowed for a period not to exceed 30 days at the end of which the borrower may choose either to purchase or return the unit. Quantum Composers will assume the initial shipping cost until decision has been made to purchase the unit upon which time it will be added to the purchase price unless a shipping acct has been provided.

Return Process

If the lendee decides to return the unit we ask that they notify us 5 days prior to the end of the 30 day loan. Please note that we also request your reason for return as we often are able to resolve these issues for you. When ready to return we will issue an RMA number to the lendee and they will assume the return shipping costs.

Ordering Process

If the lendee decides to purchase the unit he/she may do so at any time during the loan by sending a PO or calling in a credit card. We send new units so that the unit can stay with the lendee and will not need to be returned to us. Our payment terms are NET30 and we can provide you with an official pricing quote at any time.
